Bachelor of Arts in Anishinaabmowin - Aixelena Patnaude & Dr. Terri Martin-Parisien	<p>Terri – Make sure to hit all the standards of TMCC before submitting to HLC.</p> <p>Aixelena 2.0 for 60 credits is a fair GPA. Students may have stumbled along the way, which is the reason for the 2.0.</p> <p>Kellie – Students need to have AA or AS? This may be a barrier for students in the program. We don't want to exclude students.</p> <p>Terri – Program requirements are set.</p> <p>Kellie – Worried about not taking Ojibwe 1 & 2 or having 2 year in Ojibwe.</p> <p>Terri & Aixelena – The essay and video that will need to be submitted will show a student's fluency.</p> <p>Kellie – Language for teacher ed?</p> <p>Teresa – Its part of the gen ed.</p> <p>Terri – Anyone coming in after the implications, they care waived. We go with the current catalog.</p> <p>Erik – We take out the 2 year requirement?</p> <p>Ace – GPA requirement for Ojibwe 1 & 2.</p>	

Kellie – Every program has a language in it.

Terri – Leadership doesn't, Teacher Ed does.

Alixena – CTE applied science doesn't require language.

Erik – Students who proficiency, this satisfies course standards.

Ace – Use discreet rubrics more than the essay and video. This can be subjective. It doesn't look carefully of the measurement of the student.

Kellie – Grade standards would be helpful.

Teresa – The videos might be problematic. There needs to be better language. Orally and written proficiency.

Alixena – Demonstration of Ojibwe language.

Erik – 1 & 2 is a requirement even with no in interest. To enter a language degree, can students who took Ojibwe 1 & 2 do the essay and video?

Alixena – We want to know what they know maybe a test to see what they know.

Teresa – We have high standards, are we going to have eligible students to admit. We have to modify as time progresses. The entrance criteria is high.

Ace – 2 & 3 there's a gap there. Data needed students coming into 3 wouldn't be able to do the criteria.

Teresa – A baseline could help to see where the students are.

Erik – We don't expect students who took Ojibwe 2 doesn't mean they will be able to do this criteria.

Kellie – The standards not just a 2 year. Instead looking at 2& 3, but a 2 year.

Ace – 1 – 4, If students take 3 with a C and aren't eligible. A big gap in 1-4.

Alixena – Are we asking too much from students who took Ojibwe 2,

deciding how to assess the 4 program outcomes?

Terri – Historically we never assessed this. Alixena will make sure the outlines are met.

Ace – We need to show evidence of what we are trying to do here.

Terri – All 4 not 3 or 4.

Alixena – Re-word 4.

Terri – Specific wording.

Terri – Program outcomes any questions moving on.

Alixena – Will omit not having 1 & 2 Ojibwe. It can be appealed or waived according to the instructor.

Erik – Is this cohorts?

Alixena – Yes.

Kellie – Clean up the language of the requirements no electives.

Ace – How many instructors hired?

Terri – Ok with what we have, existing courses. 2nd year might need to hire add another instructor. Language instructor.

Ace – A part time or full time.

Kellie – Take what we can get.

Terri – Cohort every 2 years.

Erik – AA in language they take Ojibwe 1 & 2. If someone wanted this degree from start to finish. There is a year without language culture.

Ace - #4, a way to other universities are doing to give a cleaner goal.

Terri – No syllabi for program.
