Every effort is made to keep tuition and fee costs as low as possible, but realistic enough to financially operate the college. The student cost of attendance is reviewed on a yearly basis. In some years adjustments are made, and some years there are no changes. Turtle Mountain Community College's cost of attendance budgets are compared with cost of attendance at similar colleges. Since Turtle Mountain Community College is a commuter campus, care must be taken in developing transportation, housing and cost of living budgets.

TMCC Tuition Refund Policy

A student who does not attend any class prior to the census date shall be considered a “no show” and a 100% tuition refund will be issued for the classes not attended (if a student has made cash payments on their account). TMCC shall use the last day to add/drop a class for each semester as the census date for determining student enrollment for the fall, spring and summer terms. The student will still be responsible for the Registration Fee.

If a student attends a class, s/he will be considered to be enrolled in the course and will have to withdraw from school. Students who pay their tuition in cash payments and do not receive aid will be refunded at the following rates. Tuition will be refunded at 100% if the student withdraws from the institution within the first 10 days of classes in the fall or spring semesters. The student will still be responsible to pay the text book and registration fee. If a student completely withdraws from all classes after the first 10 days of classes they will receive a refund based on the following schedule:

During Fall and Spring terms the refund shall be calculated as follows:

- 50% refund will be issued the third through fourth week of classes,
- 25% refund will be issued the fifth through eighth week of classes, or
- After eight weeks the student will not receive a refund.

During the Summer term the refund shall be calculated as follows:

- 100% refund will be issued the first week of classes,
